

# Family Time Handout

## Week of September 27- October 3

Right before Judas betrayed Jesus with a kiss, Jesus renewed His decision to do God's will God's way. We must make the decision to obey God in advance. Right after He renewed His strength, Jesus experienced the painful betrayal of his close friend.

Jesus responds to Judas' betrayal by offering another chance for friendship and relationship! Let's look at friendship this week and see what the Bible has to say about it. If we are to deal with the hurts we experience in our lives from classmates, family, and friends, we must decide in our own hearts that we want to submit our will to God's will and God's word. People will sometimes betray us simply because we love Jesus and want to please Him. Read these different stories/verses and see what you can learn about how to be a good friend.

### PRAY TOGETHER AS A FAMILY:

**Praise God** that Jesus is the best friend we could have. **Thank** the Lord that Jesus was the perfect example of how to be a good friend. **Confess** that you are not always a good friend. **Lament** that you are not always loving to those that He loves. **Ask Him** to help you love Him more and to show love to your friends.
