Insights and commentary on specific verses challenge readers to apply the truth of God's Word. A personal prayer section includes ample room to record prayer requests and answers .

Social Media & Youth Info Page

Whether this is your first year in our youth ministry or you're a "seasoned pro", we understand youth ministry changes from year to year, so we want to help in any way possible. One primary way we help is via communication. Our goal is to be in touch with you, seeking to inform you of upcoming events/activities that may be of interest to your child. We have three primary ways of communication that may be of significant interest to you:

1. Instagram - @hbcyouth_lynchburg

We post important event information, registration links, and ministry updates every day on our Instagram page! We also post fun content to engage our teens and posts to encourage our teens in their walk with the Lord. Checking this regularly is very important!

2. Facebook - HBC Solid Rock Student Ministries

We post important event information, registration links, and ministry updates on our Facebook page. Checking this regularly also is very important!

3. Parent 411 Page - hbclynchburg/411

Go to this link to access the current 411 and see past posts. Each week, we will send out a text message with a link to the webpage so you can see everything going in youth ministry.

4. Student Ministries Webpage - hbclynchburg.com/student

Our youth ministry webpage has a lot of helpful links that are great to refer to if you need them through out the year.
