As we'll each be breaking fast with various families throughout this month, pray for open doors to share the Good News!

11

Pray for vision and courage for our local brother, H, and for God to bear fruit through his life.

12

"I don't believe in too much, but I do believe in a higher power...I am seeking inner peace." -S (a new friend)
Pray for S's salvation today.

13

Pray for special protection over our children this month and that each would grow up to follow the one true God!

14

Pray for our team to abide deeply in Him, especially through this unique month in our home country.

15

Unity amongst fellow workers in the city- that those around us may know Him by our love!

16

Most of our team will be breaking fast with one of our teacher's families today. Pray for K and her family.

17

For Y to begin reading the Word weekly with a T.M.

18

Pray for access into family units of peace, who together are seeking truth.

19

Pray for Lati - neighbor who has shown interest in reading the Word!

20

Pray for protection from authorities as workers become increasingly more bold in sharing their faith.

21

As our team goes out in the harvest every Thurs. pray that He would lead us to those He is already calling to Himself.

22

Pray for the younger generation to have dreams, question their religion, and seek truth.

23

Ask God to redeem J's fervor and open his eyes to the Way, the Truth, and the Life.

24

Pray 1 Timothy 1:13-16 over our city today! May the testimony of Paul be repeated again and again in our country.

25

For short-term teams coming this summer and spiritual fruit in the harvest.

26

Especially during this religious month, pray for entire families that are searching and hungry for truth.

27

For joy & victory in the spiritual battle during the fasting month.

28

Pray for boldness, open doors, and language ability as we engage people in the harvest.

29

Pray Galatians 4:7 over our region today!

30

Pray for Chi, as she prepares for marriage, to experience true peace in Christ

31

Pray for Good News access into desolate, isolated places.

1

For EV media campaigns to reach many and for adequate follow up from both local followers and workers.

2

For local believers to see clearly the need for boldness in the face of persecution.

3

Pray for Lif and her family- such a big part of our lives and so far from our Father. May He soften her heart to hear Truth.

4

Ask God to lead us to 'Berean-like' people, eager to study the Word, and that we would see many Bible studies start.

5

For a spiritual conversation with new neighbors K. and A.

6

Today is believed to be the holiest night (Night of Power). Pray instead for millions to have dreams/visions of the Son tonight!

7

Would you fast with us today? Focus on praying for 4th soil, ready people that are hungry and thirsty for Him.

8

Pray for all the Truth that H&M have heard, to enter their hearts and transform their lives.

9

It's Eid al-Fitr today. Pray for those we will spend it with - for spiritual dissatisfaction even after a month of fasting.
